# What is Code Compliance?

Code Compliance is when City of Moorpark staff works with property owners to make sure the use and maintenance of their property complies with the adopted laws of the City. The Moorpark Municipal Code sets minimum property maintenance and development standards for all properties in the City.

Common issues addressed by the City's Code Compliance staff include:

- Unkempt yards and/or overgrown vegetation • Junk, litter, and debris/illegal dumping
- Storage of inoperable vehicles • Unpermitted outdoor storage • Unremoved Graffiti
- Abandoned or unsafe buildings • Unpermitted signs and banners • Excessive noise
- General property maintenance (broken windows, deteriorated roofs, peeling paint, etc.)
- Keeping of too many animals/farm animals • Construction or Grading without a City permit
- Unpermitted conversion of garages or garden sheds to bedrooms

The City's Community Development Department staff is available to answer questions and to investigate complaints on use of property or property maintenance issues. Please call the City at (805) 517-6200 if you have any questions.

## Tierra Rejada Park Improvements

The City is dedicated to water conservation efforts and plans to remove at least 10% of turf from all parks. Turf reduction projects have occurred at Glenwood Park and Mammoth Highlands.

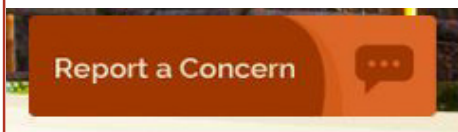

At Tierra Rejada Park, the City's most recent project, 28,400 square feet of turf was removed which is estimated to save 550,000 gallons of water per year. A walking path was created and exercise equipment was installed as well.

# REGISTER TO VOTE ONLINE AT **REGISTERTOVOICE.CA.GOV!**

The City of Moorpark Website Report a Concern function allows residents to electronically report issues to the City. Did you spot graffiti or a pothole? Is there a street light out in your neighborhood? Maybe you have noticed something of concern at a park or City facility. **Visit [www.moorparkca.gov](http://www.moorparkca.gov) and click on the Report a Concern button to alert the City of issues or concerns.**

Moorpark residents and businesses are encouraged to visit [www.socalwatersmart.com](http://www.socalwatersmart.com) for information about rebates offered for a variety of water efficiency and reduction initiatives. Some of these include high efficiency clothes washers and toilet replacements, weather based irrigation controllers, rotating sprinkler nozzles, rain barrels, soil moisture sensor systems, and **TURF REMOVAL REBATES OF UP TO \$2 PER SQUARE FOOT.**

## **DOG OWNERS REMEMBER THAT OFF LEASH IS OFF LIMITS**

Dog owners, please remember, once you and your dog(s) walk off your property, the dog(s) must be kept on a leash at all

times. This keeps your pets under your direct control to help prevent any unwanted encounters with other people, pets and wildlife. There is one exception! Dog owners that wish to give Fido a little off leash time to fetch and run can visit the dog park at College View Park located at 15400 Campus Park Drive which opens at 7 a.m. each morning and closes at 7 p.m. in the summertime and at noon on Wednesdays for maintenance.

## **PICKING UP AFTER YOUR DOG REQUIRED & COURTEOUS**

Most dog owners are aware that once they leave home to walk the dog it is required by law to cleanup any dog feces your pet leaves on the ground. Not only is it required by law, it is common courtesy to clean up after your dog. Also, removing dog waste helps to reduce bacteria and pathogens that can build up to unhealthy levels in waterways and on beaches. Remember, always clean it up and dispose of waste properly in a trash container.

**THE FINE FOR EITHER OF THESE VIOLATIONS FOR A FIRST OFFENSE IS \$100.**

### **SPECIAL PROGRAMS**

#### **WISE READER PROGRAM**

According to the American Academy of Pediatrics, studies have shown that reading daily to young children, starting in infancy, can help with language acquisition, literacy skills and increased attention spans. Help harbor these important developmental skills by volunteering to be a reader for the Wise Reader Program. Volunteer readers (The Wise Readers) will be assigned to a teacher at one of five elementary schools in the Moorpark Unified School District and read to that class during the school year. For more information about the program, please contact the Active Adult Center at 805-517-6260.

#### **DVD LECTURE SERIES**

Have you ever noticed that trying to calm down before a high-stakes event often just produces more agitation? That trying to change troublesome habits can seem difficult or impossible? Or that real fulfillment and well-being can be elusive, despite living a successful life? Have you ever wondered what creates your thoughts, what drives your emotions, and what controls your behaviors? Explore these topics, along with many others, with insightful and instructive DVD lecture series offered at the Active Adult Center. Dates TBD.

## Active Adults

### VOLUNTEERS NEEDED

The Active Adult Center is currently recruiting volunteers to lend their skills and expertise at the center as computer instructors. The center is looking for a patient and knowledgeable person who would like to teach others computer basics and how to access and navigate the internet. Volunteers would receive full support from staff in outlining class content.

Persons interested in helping in any way, or if you'd like more information, please call 805-517-6264.

## Speciality Camps

### HOLLYWOOD SPECIAL EFFECTS **Ages 7-12**

Are you a fan of special effects in movies? In this exciting camp, we will teach your kids all about "Movie Magic" and how to create Hollywood special effects using digital HD camcorders. Each day, students will learn how to create a new special effect "in-camera," as well utilize the proper use of a green screen. They will then star in a short film using everything they have learned. All projects will be professionally edited and available to download at [www.moviesbykids.com](http://www.moviesbykids.com). A \$25 lab fee is due on the first day of class.

Instructor: Movies by Kids, Inc.
